I understand that I must receive the written approval of the Architectural Control Committee (ACC) in order to proceed. I understand that the District may request additional information prior to reviewing this request. ACC approval does not constitute approval of the local building or zoning department, drainage design, structural or engineering safety and/or soundness. I understand that I may be required to obtain building or other permits prior to the commencement of any work. I agree that my failure to obtain required building or other permits/approvals will result in the withdrawal of ACC approval.

I further agree not to alter existing drainage patterns on the Lot without the express approval in writing by the Board or ACC. I will not damage or alter District property at any time and resulting damages may be repaired by the District and my responsibility to pay. Upon completion of my improvement, I hereby authorize the ACC or its delegate to enter onto my property for exterior inspection at a mutually agreed upon time, if requested. I agree that my refusal to allow inspection may result in the withdrawal of ACC approval.

I further agree that if, at any time during the process, the ACC requests to enter onto the Lot or requests further information to determine if the improvement is being constructed in accordance with the approval plan and/or Covenants, I will comply with the request. I agree that my failure to comply with the request shall result in the withdrawal of ACC approval. In addition, I agree that my failure to start or complete the Improvement within the time specified on the application shall result in withdrawal of ACC approval unless an extension is requested in writing and approved in writing.
